

PREREQUISITES – SOFTWARE

Task: The software requirements are installed and the task is completed.

The screenshot shows the Python.org website's download page for Python 3.11.0. The browser's address bar displays 'python.org/downloads/release/python-3110/'. The page title is 'Files'. Below the title is a table listing various download options for different operating systems and architectures. The table has columns for Version, Operating System, Description, MD5 Sum, File Size, GPG, and Sigstore. The bottom of the page features a navigation menu with links to About, Downloads, Documentation, Community, Success Stories, and News. The Windows taskbar at the bottom shows the system clock as 13:56 on 04-11-2022.

Version	Operating System	Description	MD5 Sum	File Size	GPG	Sigstore
Gzipped source tarball	Source release		c5f77f1ea256dc5bdb0897eeb4d35bb0	26333656	SIG	CRT SIG
XZ compressed source tarball	Source release		fe92acfa0db9b9f5044958edb451d463	19819768	SIG	CRT SIG
macOS 64-bit universal2 installer	macOS	for macOS 10.9 and later	98fa94815780c9330fc2154559365834	42602603	SIG	CRT SIG
